For Kansas trustees, without regard to chapter or geography, the call-in numbers are set as follows:

Verification of debtor identification:

For cases where debtor does not have an attorney:

- The debtor must copy, scan, or take a picture of their valid ID and proof of Social Security number and mail or e-mail the docs to the assigned trustee before the 341 meeting.
- During the meeting, the debtor should confirm on the record that they sent the trustee a copy of their valid ID and proof of their Social Security number. The trustee will then confirm on the record that they reviewed the debtor's ID, that the ID sent matches the name on the petition, and that they have reviewed the debtor's Social Security number and verified that it matches what was reported on the debtor's statement of Social Security number.

For cases where debtor has an attorney:

- Debtor must copy, scan, or take a picture of their valid ID and proof of Social Security number and mail or e-mail the documents to their attorney, who will in turn provide them to the trustee, before the 341 meeting.
- If the trustee can't confirm ID or Social Security number, then the meeting will be continued. The trustee may verify the ID or Social Security number before the continued meeting and excuse debtor's appearance but make a record at the continued meeting. The trustee may request additional forms of verification or statements from the debtors.

Telephone guidelines:

- Dial the call-in number followed by the seven-digit passcode and # sign.
- If possible, use a land line phone.
- Do not use a speaker phone.
- If any party attends the meeting from the same location as another party, use separate phones to participate.
- Make the call from a quiet area where background noise is minimal.
- Wait until the trustee calls your case before speaking, as more than one case will be held during the docket.
- Keep the phone muted until the trustee calls your case.
- Identify yourself when speaking during your case.
- Speak loudly so your voice can be heard on the recording.
- Do not place the phone on hold at any time.
- Once the meeting for your case is finished, please hang up.

Bankruptcy documents:

Debtors should be prepared and have copies of documents on which they can reasonably expect to be examined (petition, schedules, statement of financial affairs, tax returns, etc.) or any documents the trustee has indicated in advance that debtors should have available for questioning.
