Conference Call Etiquette

1. Call in 5 minutes prior to your hearing time.
2. Use a landline so that the Court can hear you more clearly; avoid using a cell phone.
3. When you call in, immediately place your phone on mute. Only unmute your phone when your case is called.
4. Please do not put your phone on speaker when talking; it is difficult for the Court to hear you.
5. Do not place your phone on HOLD. This often causes music to be played for everyone else on the call.
6. Announce your name EVERY time you speak.
7. Speak slowly and clearly.
8. Do not interrupt speakers.
