

**IN THE UNITED STATES BANKRUPTCY COURT
FOR THE DISTRICT OF KANSAS
GENERAL ORDER NO. 26-1
ORDER REGARDING BANKRUPTCY NOTICING CENTER INTERRUPTION**

The Bankruptcy Noticing Center (BNC) notified the court on October 9, 2026, that it was experiencing technical issues that interrupted its ability to transmit notices issued by the court. The court has been advised that those technical issues continue and, therefore, certain notices required in bankruptcy cases and adversary proceedings have not been transmitted. The court finds that these circumstances constitute good cause for relief under Fed. R. Bankr. P. 9006(b) and LBR 5005.1, Appendix 1-01, ¶ XI (Technical Failures).

IT IS THEREFORE ORDERED that:

1. *Affected Notices.* No party shall be prejudiced by a failure to respond to a notice that was not served as a result of the BNC service interruption, subject to applicable law and further order of the court. Parties are reminded that certain deadlines cannot be extended by order of this court and parties should be vigilant and comply with such deadlines. *See, e.g.,* Fed. R. Bankr. P. 9006(b)(2).
2. *Deadlines and Hearings.* Upon request of a party in interest, or on its own initiative where permitted by law, the court may extend or reset deadlines or continue hearings as necessary to address the interruption. Parties may request relief by written motion or by oral request at a scheduled hearing. Parties should confer when practicable and advise the court whether the parties have agreed to the requested relief or opposed it. All scheduled hearings shall proceed unless the court orders otherwise.
3. *Further Orders.* This Order shall remain in effect until further order of the Court.

IT IS SO ORDERED this 13th day of October 2026.
