

LBR 3010.1

SMALL DIVIDENDS IN CHAPTER 13 CASES

Chapter 13 Trustees may distribute payments of less than \$15 without a court order when the Trustee determines it is unlikely that the distribution to a particular creditor(s) will ever reach the \$15.00 limit provided by Fed. R. Bankr. P. 3010(b) or that the Trustee would need to hold funds longer than reasonable if an earlier distribution is not made.
